

# Who is Under Grace? (Part 4)

## A Summary

- ◆ No one will be declared righteous by God because of his/her ability to keep a set of rules or regulations (either God-made or man-made). Righteousness comes by faith in Almighty God, and is expressed in a commitment to behave according to God's character.

**God's standard for righteousness is faith in Him and active love for mankind. This standard is personified in the person of Jesus Christ, and through Him we will all be judged.**

- ◆ Those who place their faith in God and with humble, obedient hearts persistently seek to be and to do that for which they were created, are not under law but under grace, and will receive eternal life.
- ◆ Those who chose not to place their faith in God and, with unbelieving and self-centered hearts chose a lifestyle of evil and self-fulfillment at the expense of others, are not under grace but under the condemnation of God's law and will receive eternal destruction.

Note: This summary is based on the author's study of God's Word to this date. Every individual must study the Bible for him/herself and reach his/her own conclusions on the subject of grace. You will not answer for my thoughts and actions, and I will not answer for yours; therefore neither of us should place our faith in either of us. Our faith and trust must be in God alone.
